New Youth Protection Training **IMPORTANT AND MANDATORY**

All adults registered with the BSA, including Merit Badge Counselors, must take the new Youth Protection training on my.scouting.org by August 1, 2018 no matter when you last took this training.

If you do it at a Committee meeting everyone must sign in with the name they have on your roster, do not use nicknames and if you have a membership ID# list that.

If you don't know if you need to take the new one please send me an email and I will check for you. Merit Badge Counselors also need to take the new training.

DEADLINE: August 1, 2018

Roundtable Update

Our Thank YOU goes out to Pete Carteaux as he leaves the Buffalo Ridge District after five years in service to our youth and adult leaders, first as a District Executive, and currently, as a District Director. He isn't going to far, as he will remain with the Sioux Council. Effective June 1, he will be serving as the Program Director for the Council. Make sure you say "Hi" to him when you are at Lewis and Clark Camp this summer. Thanks, Pete, for all you have done! Best wishes in all you will do as you go forward.
