

## Summer Camping Program Update

With the health and safety of every participant, and the families they return to, as our number one priority, the decision has been made to cancel Sioux Council Summer Camping Programs scheduled for the month of June.

A revised schedule for Lewis and Clark Summer Camp, Missouri River High Adventure Base (MRHAB), Webelos Camp and National Youth Leadership Training (NYLT) is currently scheduled for July and August. An alternative Scouts BSA Power Weekend Program will also be offered during this time.

The decision to make these changes was extremely difficult. But after many conversations with our key stakeholders including our Camping Committee, Program Cabinet, members of the Risk Management Committee, Focus Group Pack and Troop Volunteers, and local and state policy makers, it was deemed necessary to postpone any summer camping programs until July at the earliest.

Registration for Lewis & Clark Summer Camp, MRHAB, Webelos Camp and NYLT are currently open and will remain open until 2-weeks prior to the event/session. Registration for the Scouts BSA Power Weekend programs will open next week with registration to remain open until 2-weeks prior to each session. Registration can be completed on our council website, [www.siouxcouncil.org](http://www.siouxcouncil.org).
