Business information

Let's start with your business name and EIN.
You can always edit these details later.

Business name

Pecatonica River Popcorn

Employer Identification Number (Optional)

00-0000000

Your tax ID will be used for tax reporting purposes only. You can edit this information on your Square Dashboard at any time.

Estimated annual revenue (Optional)

\$0 - \$10,000

The Boy Scouts of America National Council does not permit any regional or local councils, troops, packs, or units to use the National Council's Tax Identification Number (TIN) when applying for a merchant processing account. **You should use your Chartering Organizations (TIN).**

Where will you sell and take payments?

Choose as many as you'd like — Square merchants typically accept payment in multiple ways.

-  **Brick-and-mortar location**
-  **On-the-go or at an event**
-  **At my computer**
-  **Online Store**
-  **Invoice sent to my customers**

CONTINUE

What else can we help you manage?

Select all that apply.

Item catalog

Create items or services to speed up checkout and enhance reports.

Team

Set permissions, track time, and pay full-time and contracted team members.

Gift cards

Sell gift cards in store or online to boost sales.

Marketing campaigns

Email your customers to tell them about promotions or special events.

Loyalty program

Keep your customers coming back with a customized rewards program.

Funding for your business

Get access to financing just by running your business with Square.

Appointments

Manage your calendar and allow customers to book online.

Retail inventory

Track multilocation inventory, print bar codes, view cost of goods sold.

Finish activating to take payments.

Enter your legal name and home address, even if registering as a business. We will not use this information to perform a credit check, just to verify your identity.

Take payments quickly and securely.

It's easy to get started on Square with our free¹ magstripe reader. But since most payments are made with chip cards, you can better protect your business by using the Square Reader for contactless and chip. It accepts chip and NFC payments and covers you against EMV disputes (unlike the magstripe reader).

Square Reader for contactless and chip

\$49

CONTACTLESS (NFC) CHIP (EMV)

MAGSTRIPE

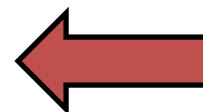

Square Reader for magstripe included.

¹You are eligible for one free Square Reader for magstripe. Any additional magstripe readers are just \$10.

Choose the reader that works best for your business

We make two versions of Square Reader for magstripe for different types of personal devices. Choose the audio jack version if your device has a 3.5 mm headset jack. Choose the Lightning® connector version if you have a newer iOS device.

Audio jack (3.5 mm headset)

Lightning® connector

Compatible with iPhone and iPad models that have a Lightning® connector and are running iOS 10.0.2 or later.
