

School is right around the corner and that means it is time to plan for fall popcorn sales and membership recruitment. As a reminder, every unit needs to attend one of the popcorn training sessions and one of the membership recruitment sessions in order to achieve additional popcorn commission, as are digital copies of your units' calendar and budget. **Please email these to your District Executive by August 15th.**

For your convenience, click on the one you want to attend, and you will receive a confirmation email containing the information about joining. As a reminder, attendance is required for additional popcorn commission, but you only need to attend one session:

Popcorn Training Webinars (unit must attend one):
