**Important information:**

*Calendar and Budget* needs to be emailed or mailed to Angie by August 21.

Do you have all your advancements and registrations turned in? Do you want to get a list of everyone that is registered in your Unit to make sure you are ready for recharter, ask now.

All your service hours reported? Helping at a District, Council or OA activity is service, these hours can be counted. Did you have anyone helping with food trucks this summer get those hours put in the system.

Do you know how many Scouts you need to go over your goal from last year? We have reports we can give you to get ready for recharter in November.

Have you taken all your required trainings or updated your Youth Protection. Get updated before Nov. 1 so you don’t have to send in extra paperwork with recharter.

Would you like to help on the District level send Angie an email.

Back to the Outdoors - Sioux Council properties are open for reservations. Use the COVID temperature form for all your campouts.

**Calendar**

- **Aug 27** - School Night for Scouting #1

Angie.Leadabrand@Scouting.
Anyone camping should be taking the new Hazardous Weather training.
IOLS/BALOO August 28-29 at Lewis and Clark [registration]
IOLS/BALOO October 3-4 at Camp Iyataka [registration]

Renew your Youth Protection training NOW. Our District currently has 48 Scouters that their training has expired. Help us get to 0, do it now.

Are you new to your position, take the required training on line. The sooner you take the training the less work you will need to do all year. Shows you what you should be doing. Don’t wear all the hats.

Are you ready for the new year? Do you have some ideas for recruitment? Plan a drive-thru in a parking lot, fun time in the park. Get all your adults together and start planning.

Family Fun Feast - September 12 What is it? How can you win? [Click here for information].
