

Area Chemical Dependency Providers for Screening/Assessments & Follow-Up

Southeastern Behavioral Health: 605-336-0510 (call for intake and completion of paperwork. Assessment will then be set up. Both the assessment and any following recommendations are required for a Drug/Alcohol charge).

**Can typically be completed at school during school year – May qualify for decreased or no fee.

Carroll Institute: 605-336-2556

Prairie View: 605-331-5724

Keystone: 605-789-5531

*Note: This list is not all inclusive. Please feel free to consult your family physician for additional information.

**Note When scheduling, it may be helpful to mention that your son/daughter has received a drug/alcohol charge and has been diverted to Teen Court or CAB and have been asked to schedule a chemical dependency assessment for their child.
