

Save the Date: Inaugural Class of Female Eagle Scouts

Mark your calendars for a special event celebrating leadership with America's First Female Eagle Scouts. On the evening of February 21, 2021, the BSA will mark this historic milestone by celebrating young leaders who are making positive change in our communities and making our country better. Plus, we'll invite the Scouts across the nation to join a national call to service in 2021 to be the change in their own communities.

To help make the event possible, we are asking families of the members of the Inaugural Class of Female Eagle Scouts to provide us with some details about their Scout's journey, including:

- Why did they join Scouts BSA?
- What inspired their Eagle Scout project?
- What was the outcome/impact of their Eagle Scout project?

Please also share videos and photos from the Scout's journey, including a photo of each Scout in her uniform. These details will be used to make a commemorative gift for the members of the Inaugural Class.

In addition to helping us ensure each member of the Inaugural Class is included in the commemorative package, sharing this information will also help us identify amazing stories to share within and beyond our Scouting family. Click the link to share your scouts journey!
