

Wood Badge banquet date change:

Please note that we are moving the date for the Banquet to August 7th and it will be held in Marshall MN at the Wooden Nickel. This change is so that we can host the event outdoors to maximize the safety for those in attendance. The registration fee is \$40 and will include a challenge coin for everyone that registers by July 1st. We will have a lot of items to auction from the course as the syllabus changed and we had to retire some of the supplies. Put this on your calendar and join us for a great time!
