

IOLS AND BALOO Training – Participant Confirmation Getting ready for the Course

Scouter:

This letter is to confirm receipt of your registration and participation fee for the upcoming Introduction to Outdoor Leader Skills OR BALOO course. We are so glad you will be joining us for a fun-filled and memorable outdoor learning experience. **Registration will be on Friday from 5:00 p.m. to 6:00 p.m. at Lewis & Clark Scout Reservation. Please eat dinner before arriving. If you need to make other arrangements, please email Karen Viste at karenvis@yahoo.com. The training will begin at 6pm after registration.** Please allow yourself time to set up your camp site during that time.

Our schedule is full, and you won't want to miss any of the activities. For directions please see below. You might want to check with other leaders from your area, encourage their attendance, and carpool or trade days on transporting. Please bring verification that you have **completed Youth Protection Training and Weather Hazards Training**. If these two training have not been completed, you can go to my.scouting. Baloo participants also need to take the Baloo pre-course online work **via my.scouting and bring the certificate with you. From landing page go to "BSA LEARN CENTER" then "EXPANDED LEARNING" and click on "BALOO to take all modules.**

The below **"What to Bring" checklist** covers what you will need to bring to camp. If you do not personally own any of the items listed, you may want to contact other troop leaders or friends to borrow them for the course. While we want you to be comfortable, we want to ensure you make the most of this training without shouldering too many expenses. In addition, **please let us know if you have any physical limitations or special dietary or medical needs** so we can be prepared before the course begins. The staff looks forward to working with you and seeing you there!
