

Fuel Your Adventure

The summer flies so fast and before we know it, kids are back in school, and it is popcorn time!

Please plan on having two people on one of the Popcorn Planning Webinars this year. There is so much to cover we want to make sure every Unit has all the tools needed for a successful Program, and Popcorn season.

Once your Unit has completed a Calendar and Budget, please email these to your District Executive by the end of August.

For your convenience, click on the Webinar you want to attend to register. Once you register you will receive a confirmation email on how to log in the day of the Webinar. You only need to attend one Popcorn/Planning Webinar.
