Attention all Arrowmen the Rolling Hills Chapter of the Order of the Arrow has a number of events and activities scheduled during the Spring Rendezvous that all Arrowmen should be aware of.

What is the Order Of The Arrow? It is Scouting's honor camper society and was founded in 1915. It was set up to honor those Scouts and Scouters who meet camping requirements and live the Scout Oath and Laws. The members of his troop elect each Scout and the troop committee nominates Adults. Members wear a distinctive white sash with a red arrow. Their job at the Spring Rendezvous is to answer any questions you may have and help direct you to the day's activities. They are also directing traffic in the parking area on top of the hill.

ONE - The chapter organizes and operates the snack bar at the Rendezvous as a service to Scouts, parents and guests, which raise money for some of the things the Chapter likes to do each year.

TWO - The chapter plans and conducts the Order of the Arrow Call-out ceremony as part of Saturday night's campfire, where those Scouts & Scouters who were recently elected by their troops to become members of the OA.

THREE - Arrowmen will be helping with this event by leading the Webelos to the crossing ceremony area.
