

Klondike Participants:

Please make sure to bring your entire Units health forms (Parts A&B) together in one packet and have one person to check you in. The health forms will be returned at the end of the event. Here are some additional questions and resources for the Klondike Derby. Please email [brett.aliets@scouting.org](mailto:brett.aliets@scouting.org) AND [Katie@shetek.org](mailto:Katie@shetek.org) with responses to the following:

- **When will you be arriving?**
- **When will you be departing?**
- **Are you camping on need indoor accommodations?**
- **Who are your 2 adults to be mayors? (Please include emails.)**

Below is the list of town(activities), please send me your top 3 and we'll assign. If we don't here from you before event, we will assign you to a town. Once assigned, you will be emailed with description and requirements for station.

\*\*I'm looking for someone who can oversee the Critter Proofing the Supplies (knot tying) station. Need to know: Overhand, square, bowline, clove hitch, double half hitch and slip knots.

For Units: be prepared for the first aid station by seeing the below and accessing the links. We will be focusing on ice rescue.

### **Ice Rescue**

One of your Patrol members have fallen through the ice. The rest of the Patrol must demonstrate multiple ways to safely rescue the scout from the frigid waters. Patrols can use anything from their sled to make the rescue.

Ice rescue methods:
